

DELFIN LOGISTICS
Solutions & Logistics Innovation

Delfín Logistics

Somos un operador logístico integral y realizamos logística 3PL y 4PL, de acuerdo a su necesidad. Gestionamos la logística a través del diseño de los procesos, optimizándola para conseguir la mayor eficiencia; y ejecutamos las operaciones con seguridad y cuidado del medio ambiente.

The BRI and China's International Trade

Somos parte de la alianza estratégica entre CIMC, (China International Marine Container) y Delfin Group Co., que permitirá al holding chino ingresar al mercado latinoamericano, dentro de la iniciativa estratégica "Belt and Road Initiative", con un amplio portafolio de servicios, a través de la red de empresas del grupo Delfin.

En el 2022, nos convertimos en el primer operador logístico en el Perú en certificar carbono neutral, asumiendo compromisos de acción climática y reafirmando nuestra visión de empresa sostenible.

Climate Neutral Now Achievement Report

**CLIMATE
NEUTRAL
NOW**

Participant: Delfin Logistics
Reporting period: 2021

Based on the data reported, a participant is assigned a level in each of the three steps (Measure, Reduce, Contribute), according to the criteria shown in the Figure 1. In order to be as transparent as possible with the general public, a badge will be tailored specifically for each participant with the levels achieved in the reported year. The corresponding badge must be used together with the Climate Neutral Now logo.

	Bronze	Silver	Gold
Measure	Self-declared GHG inventory	Third party verified GHG inventory, with incomplete scope 3	Third party verified GHG inventory, including full scope 3
Reduce	Target established, with incomplete or no reduction plan	Net Zero by 2050 or earlier & reduction plan with intermediate targets	As Silver, with at least 10% reduction year on year
Contribute	Partial contribution	Full contribution with partial scope 3	Full scope 3, full contribution

Figure 1: Levels of achievement for each step

Evaluation of the Climate Neutral Now Report

Levels achieved on each of the three steps in the reporting period:

Measure: Gold

Reduce: Bronze

Contribute: Gold
