

CABERNET SAUVIGNON

Aniapa Cabernet Sauvignon was created by the Hilbing Franke family in their artisanal distillery. Distilled in small 100% copper stills. From the grape skins of the best Cabernet Sauvignon wines of zMendoza and the creative talent of the **Master Distiller Rolando Hilbing**.

The pure meltwater of the Andes Mountains and the bi distillation of the skins complete this extraordinary grappa.

Destillata - Grand Gold Medal 2010 - Austria, positioning it as the best grappa of the year worldwide.

CONT.
750/700_{CC}

ALCO.
39%_{V/V}

Crystalline, colorless.

Intense, harmonious, with a hint of peach and strawberries.

It is complex, intense, with a touch of grape typical of the variety, leaving a fruity sensation in the mouth, which lingers pleasantly.
